

## Handing in and at handing out Royal Hampshire County Hospital, Winchester

The Hospital is on Romsey Road about half a mile to the west of Winchester. [Satnav SO22 5DG](#)  
Immediately opposite the entrance to the Prison is the entrance to the hospital front car park, marked [Disabled Parking, Drop Off](#).

Drive in the entrance and follow the road round to the right, and immediately turn right just before the hospital entrance, where there are about five disabled bays, and these are not monitored at weekends. Please do not leave your car there any longer than necessary.

The area marked below within the red lines which normally has the 20 minutes short-term parking bays, is currently a Covid testing station which takes up about 80% of the car park.

Go in the main entrance, and continue past Reception through double doors and continue until you find the handing in table.

If you are unable to find a parking space there are several options:

1. Wait until another member who has dropped off their work, moves their car.
2. If you have someone with you, they can drop you off, and then drive off and wait for you to call them to return.
3. Use the hospital main multi-storey car park, which is free for the first 30 minutes. After leaving the car park on foot, walk up the slope and round to the front entrance of the hospital.
